#### *Quick Corner Piecing:*

Using a Red 3 ½" Square, place a Background (Green) 2" square on the upper right corner. Place the diagonal line you marked in the proper direction and sew on the marked line. Trim away ¼" from that line as shown. Flip out and press. Continue this on each of the corners to attain the correct color combination of either green corners or pink (3 corners green, 1 corner Medium Pink) on each Red square. You will create 4 units as shown.

Continue piecing your block, rotating your corner units as shown.

Your block will measure 9 1/2" unfinished.
